BRIEF ABSTRACT OF LETTER.

Solicits orders as to how medical officers and subordinates shall conduct themselves when called on to render medical aid, as compliance with requns for med[l] attendance renders it necessary that they shall be absent from duty on their own authority against discipline.

NOTES AND ORDERS.

orders of Govt on the two points referred to in para 1 of the letter were ~~were~~ conveyed in this office letter No. 9903 med 238-10-2 dy 31.5.11. The question remaining to be decided is the one raised in para 3 of the Senior Surgeon's letter. The case that gave rise to the reference

was that of Hospl asst m. Gundappa of Heggadadevankote who travelled ~~alone~~ from Heggadadevankote to Mysore in medl attendance on the Amildar ~~of Gargeshwa~~ Mr. Lingapantlu Badami on his way from Heggadadevankote to Mysore enroute to Malavalli to which place the Amildar was under orders of transfer

The rules regarding medl attendance issued vide G.O No: 7332-72 dated 24.2.10. Med 91-06-57 do not seem to make provision for ~~the~~ the attendance of a medl officer on a gazd officer during his journey from one Station to another. Para 15 of the rules however entitles gazd Servants entitled to gratuitous medl attendance to such attendance at any place where they may be residing ~~or~~ whether on duty or on leave. The Concession allowed by this rule has to be extended to make it applicable to cases of the kind referred to above. In the interests of discipline, however, it seems necessary to require the medl Subordinate to obtain the permission of the Distt medl officer or other Superior Authority before leaving his Station. A suitable clause may, if appd. be caused to be inserted in the

Sir

Adverting to your letter no. S 266/S&A 125-10 dated the 25th April 1911 declining to sanction the travelling allowance claimed by 1st class Hospital Assistant M. Gundappa for September 1910, I have the honour to request that you will be so good as to obtain the orders of Govt (1) directing the Amildar Mr. K. Linganpathi Badami to reimburse the Hospital Assistant the allowances claimed by him in view of the fact that Hospital Assistant accompanied the Amildar on the distinct requisition from the latter, and (2) as to how the period of absence of the Hospital Assistant from duty on the 27th September 1910 should be treated.

In my opinion, he should granted a days Casual leave

2 I would take this opportunity of Soliciting the orders of Government as to how the Medical officers and Subordinates should conduct themselves in such cases in future, as, by complying with the requisitions indenting upon their Services, They will be absenting from duty on their own authority which is against the discipline

3 The travelling Allowance bill is herewith returned with all the enclosures

I have &c,

will be absenting from duty on the
on authority. I am directed to
state that Govt consider it
desirable to direct that medical
officers and subordinates called on
for med attendance in such cases
are allowed to leave their Station without
the permission of their Superior officer.
A suitable provision to this effect
may be made in the draft med
code for purpose which has been returned
to your office for revision. The rule
will be considered and finally decided on
by Govt while passing the med Code.
I am to add that in the case
which gave rise to the reference
under reply, the medical subordinate
concerned had ample time to
apply for, and obtain, permission of the
district med officer of the Distt, to leave his Station.
